

Fear of Cancer Recurrence/FoRwards

Chair (s): prof. Marije van der Lee (The Netherlands)

Aim: facilitate collaboration on Fear of Cancer Recurrence research and disseminate knowledge

Up to three key accomplishments since December 31, 2021:

1. successful webinar series (incl joint webinar with survivor SIG)
2. collaborative IPD published
3. collaborative symposia at IPOS 2022

Two key initiatives underway for 2022:

1. more quarterly webinars on FCR
2. facilitate research projects in identified priority areas
