

RESEARCH COMMITTEE

Chair: Jo Shaw (Australia)

Aim: Facilitate research activities by IPOS members, particularly those which have international significance, address cross cultural differences and/or address issues of importance to developing countries

Three key accomplishments since November 2020:

1. IPOS Congress workshop: Collaborative Psycho-Oncology Research: Why do we need it & how to do it
2. Launched Peer research proposal peer review process after successful pilot in 2019-2020
3. Co-authored publication with FoRWARDS SIG: *Setting an International Research Agenda for Fear of Cancer Recurrence: An Online Delphi Consensus Study*. *Frontiers Psychology* <https://doi.org/10.3389/fpsyg.2021.596682>

Two key initiatives for 2021 underway:

1. Webinar series in development
2. Formal review of implementation of peer review process planned for late 2021
